

7400 NEW LAGRANGE ROAD, SUITE 303 - LOUISVILLE, KY 40222
(502) 339-0565

Thank you for considering KingFish for your very special occasion. It's an extremely exciting time and we would love to help in any way possible. We offer the Riverwatch Banquet Hall at our Louisville location and the Riverside Banquet Hall at our Jeffersonville location.

We are proud to say that we have hosted wedding receptions, rehearsal dinners and even wedding ceremonies for over 40 years. The core of our current staff has been there for better than half of that span. As you probably already know, wedding planning can be stressful and hopefully our experience can take some of that load off of your shoulders.

Speaking of the stress of planning a wedding, the price tag that comes with everything can contribute greatly. KingFish offers the absolute best value around for a wedding and wedding reception. Top notch food, an experienced friendly staff and a beautiful river view to boot. All of that offered for considerably less than most other venues.

The attached information packet includes our most popular wedding reception menus. You are also welcome to create your own menu to compliment your own style or taste. If something is not listed that you want, simply ask and we will do our best to accommodate.

We would like to wish you luck whether you choose our location or somewhere else. Either way, if you have absolutely any questions, don't hesitate to contact us at 502-339-0565.

Sincerely

Jackie Mossholder
Banquet Coordinator

Jackie + Kingfish family,
 Thank you for helping us make our
 wedding reception. The service was great
 (Mary Ellen was very helpful), the food was good,
 + the place looked awesome - especially with
 the lights at night. You all were very flexible
 + helpful to make our ideas a reality. I am
 still getting told that people were impressed with
 the venue + it was the most fun wedding they
 have been to!
 Thanks again,
 Stephanie + Mike!!

Dear Jackie - I wish you
 Well! I wish all of the
 could hear all of the
 wonderful comments
 regarding the food +
 how beautiful the room
 looked for the [redacted]
 Reception Dinner in June 8.
 People are quite surprised
 because they think only
 "fish" will be served. I
 The evening was so nice
 outside and pictures were
 had + the waitresses were
 more than helpful.
 I will highly recommend
 Kingfish to anyone for
 a special event because
 that is exactly what is
 was - Special. Many thanks
